NOVUS DSS column with system clamp 1 (14-40 mm)

NOVUS Duo Support System columns provide the capability of attaching DSS supporting arm elements. Attractive in looks and in price – they offer maximum flexibility. In durable, robust material quality, the system is guaranteed to give you a stunningly simple, secure and adaptable means of attaching supporting arms for TFT screens. The elegant, 445 mm long aluminium profile serves as a support column and can be mounted on any desk with a desktop thickness of 14-40 mm using Novus system clamp 1. Two cable clips are included as a practical aid for routing cables.

The clamp has a clamping length of 14 to 40 mm. Simple to attach using the hexagon socket spanner supplied.

When used conventional.

This machine bears the GS approval of product safety.

Available in silver/ anthracite
